G
I want a full-time job making love to you
     C                        G
I'll do anything you want me to
    C                              G
But if you have no plan to use a full-time man
  A7                D7
A part-time job will do

  G
I want a life time job being close to you
C                           G
Making all your dreams come true
    C                                  G
But if your heart don't throb about a full-time job
  A7        D7       G
A part-time job will do

C
You wouldn't have to pay me
  G      D7   G
A nickel or a dime
   C
As long as you would let me
         D7
Get in a little bit of overtime

  G
I want a full-time job holding hands with you
  C                          G
I think you'd kinda like it too
      C                               G
Don't want a part-time job I want a full-time job
      A7         D7       G
