C           E7    F          D7
I'd beg and steal if I could feel
  C        F  G7 C
A touch of yesterday
            E7   F          D7
Oh what I'd give if I could live
C          F  G7 C
A touch of yesterday

F               A7      D7              G7
The rain's been fallin' since he's been gone
F          A7            D7         G7
It's gonna rain until he comes back home
C              E7    F          D7
The hurt would leave if I could breathe
C          F  G7 C
A touch of yesterday
