Act Naturally-Buck Owens
Author:Johnny Russell and Voni Morrison

```
C                            F
They're gonna put me in the movies
C                                  G7
They're gonna make a big star out of me
      C                                    F
We'll make a film about a man that's sad and lonely
    G7                             C
And all I have to do is act naturally

       G7                       C
Well I bet you I'm gonna be a big star
      G7                         C
Might win an Oscar you can never tell
    G7                             C
The movie's gonna make me a big star
       D7                       G7
'Cause I can play the part so well

C                                       F
Well I hope you come and see me in the movies
C                                  G7
Then I'll know that you will plainly see
    C                                   F
The biggest fool that ever hit the big time
    G7                             C
And all I have to do is act naturally

                                                F
We'll make a film about a man that's sad and lonely
C                                G7
Begging down upon his bended knee
     C                                  F
I'll play the part but I won't need rehearsing
    G7                           C
All I have to do is act naturally
```
