Afraid-Willie Nelson
Author:Fred Rose

```
C                   F          C
Afraid to tell you  how much I care
           G7                          C
Afraid I'll need you and you won't be there
                    F       C
I'd love to take you  into my heart
             G7                     C
But something tells me we would only part

C7          F                   C
I loved and lost just one love ago
          D7                    G7
I paid the cost and it hurt me so
C                      F             C
A heart gets careless  when vows are made
         G7                    C
I want to love you but I'm so afraid
