C       G                D7
All the time yes darling all the time
C        D7              G
Tenderly constantly I'll love you
                        D7
Every day I'll prove it every way
C            D7                     G
In happiness or in loneliness I'll love you

C              G
Other arms may tempt me
C                       G
But don't let that bother you
C                 G
For even if they tempt me
A7            D7
I'll never be untrue

C       G                D7
All the time yes darling all the time
C
Through the years
D7
Through smiles or tears
     G
I'll love you
