Darling will you love me forever
F C    G7 C
Always  always
                   F            C
Will you keeps these vows we made together
F C    G7 C
Always  always
          G7                     F              C
Will your love be as strong if my dreams will go wrong
F C    G7 C
Always  always

                  F            C
Darling will you stay with me forever
F C    G7 C
Always  always
               F                      C
Will your love remain through stormy weather
F C    G7 C
Always  always
          G7                        F                                  C
Will your love be strong enough to walk the roads that might get rough
F C    G7 C
Always  always

   G7                    F                      C
In return for your love I'll be true as stars above
F C    G7 C
Always  always
         G7                     F             C
And the love that I feel will forever be so real
F C    G7 C
Always  always
