C                 G7
Oh am I blue am I blue
           C           G7           C
Ain't these tears in my eyes telling you
                       G7
Well am I blue you'd be too
        C             G7                C
If each plan that you had done and fell through

            Em
There was a time I was your only one
                                Am
But now I'm the sad and lonely one
      C            G7            C
Was I gay I should say now she's gone
          G7           C
And we're through am I blue

            Em
There was a time I was your only one
                                Am
But now I'm the sad and lonely one
      C            G7            C
Was I gay I should say now she's gone
          G7           C
And we're through am I blue
