Another Sleepless Night-Anne Murray
Author:Rory Bourke and Charlie Black [3/4 time]

```
C                                Dm
The nights have been so lonely  since you went away
C                          F
I could not get to sleep  try as I may
C                   D7                   G7
But now you're back and you're here to stay

         C            Dm
Still it looks like another sleepless night
             C
Oh but darling that's alright
 F              G7                 C
Just as long as you are holding me tight

                     Dm
Making love 'til the early morning light
             C
Only whets our appetite
F            G7              C
This will be another sleepless night

F                               Am
Hold me while the moon shines in through the window
C7
Let your love flow
F       D7                 G7
Hold me we can orchestrate love's scenario with the radio
```
