G                                C
No Regrets No Hard Feelings its over
        G                        D7
All the Good Times Together Are Through
           G                              C
I'll Have a Lifetime of Memories to Keep Me Going
          G             D7                G
I Wouldn't Take Back One Moment Spent with You

        C                              G
I Can't Say  That Your Leaving Won't Hurt Me
                                      D7
But it's Nothing That Time Can't Erase
        G                              C
And Someday this Hurting Will Be over
        G              D7              G
Another Story  Another Time  Another Place

         C                           G
Then One Day I'll Be Sitting with Another
                                     D7
And Suddenly a Smile Will Cross My Face
       G                                      C
If She Asks Me What's So Funny Then I'll Tell Her
        G              D7              G
Another Story  Another Time  Another Place
