Baby On Board-The Oak Ridge Boys
Author:J.C. Crowley and Jeff Silbar

```
G
Hey there mister in a Cadillac

Get off a my tail get off a my back
C
Pull on round cause I ain't gonna drive
G
Any faster than fifty five
          C
I've got a sign in the window buddy can't you read
D7
Precious cargo sitting next to me

G   C   G       D7
Oooooooo baby on board
G                 C
Everybody knows I take it kinda slow
        G       D7
With my baby on board
Em                  C          Em              Am
I want the world to see who's riding next to me
G                  D7                    G
Rocking in my old Ford with my baby on board

It's hard enough to keep it on the road

She looks so good I'm about to lose control
C
God only knows the way she makes me feel
     G
It's all I can do to keep my hands on the wheel
C
With my baby won't you take a ride
D7
I'll make sure to keep her satisfied

Repeat #2

C           G
Riding high rolling down the street
A7                D7
I've got an angel here in my front seat
G          C
I've got a sign in the window buddy can't you read
D7
Precious cargo sitting next to me

Repeat #2

Em                  C          Em              Am
I want the world to see who's riding next to me
G                  D7                    G
Rocking in my old Ford with my baby on board
