Back home again in Indiana and it seems that I can see
              F                  C
That gleaming candlelight still shining bright
            D7            G7
Through the sycamores for me
             C          A7         D7
The new mown hay sends all its fragrance
          G7               Am
From the fields I used to roam
       C               E7              Am
When I dream about the moonlight on the Wabash
     C                   G7      C
Then I'm longing for my Indiana home
