Author:Bob Montgomery and Allen Toussaint

```
C           G7
I'm back in baby's arms
                  C
How I missed those loving arms
    Am        G7   Em
I'm back where I belong
G7            C
Back in baby's arms

                  G7
Don't know why we quarreled
                  C
We never did before
Am
Since we found out how it hurt
  Em                    C
I bet we never quarrel anymore

                  G7
Thought I didn't need his love
                  C
Till he took it away
Am                 Em
Now I'm back where I belong
    F             G7             C
And in my baby's arms I'm gonna stay
