Bear With Me A Little Longer-Billy Walker
Author:Darrell Glenn

C
You say you're tired of struggling along
G7
Bear with me a little longer

Seems like everything I do turns out all wrong
C
Bear with me a little longer

F G7
It hasn't been easy I know
C
At least up to now
D7
But if you'll understand me

Have faith in what I'm trying
G7
I know we'll make it somehow

C
I'll say a prayer for us tonight
G7
I'll pray that your love will grow stronger

And then everything will be alright
C
Bear with me a little longer

F G7
I've heard it said a million times
C
You can't have heaven on earth
D7
But the law of average says things will be better
G7
We've already been through the worse

Repeat #3
