Beyond The Shadow Of A Doubt-Jim Reeves
Author:Ted Daffan and Theda Daffan

```
G                  C
You are my guiding star
    G                           D7
The one love I can't live without
         G                    C
All these things I know you are
  D7                   G
Beyond the shadow of a doubt

                              C
Through rain through snow or storm
    G                    D7
The coldest darkest hour out
     G                   C
Your love will keep me warm
  D7                     G
Beyond the shadow of a doubt

                     C
No gates no bars my dear
     G                       D7
Will ever serve to keep me out
     G                     C
Call my name and I'll be there
  D7                     G
Beyond the shadow of a doubt
```
