C                                   G7
Rolling down-a backwoods Tennessee byway
Am            F                C
One arm on the wheel holding my lover
        G7   Am                   F
With the other a sweet soft southern thrill
               Am                G7
Worked hard all week Got a little jingle
    Am               F                   C
On a Tennessee Saturday night  couldn't feel better
     G7            Fm          C
I'm together with my Dixieland Delight

        G7              Am
Spend my dollar park in a holler
                       F
'Neath the mountain moonlight
        C                      G7
Hold her up tight make a little loving
               Am                  F
A little turtledoving on a Mason-Dixon night
        Am         F
Fits my life oh so right
   Fm          C
My Dixieland Delight

                                   G7
White-tail buck deer munching on clover
Am                         F              C
Red-tail hawk sitting on a limb chubby old groundhog
        G7      Am                       F
Croaking bullfrog free as a feeling in the wind
                 Am                    G7
Homegrown country girl gonna give me a whirl
    Am                F                  C
On a Tennessee Saturday night  lucky as a seven
         G7            Fm          C
Living in heaven with my Dixieland Delight
