Don't Keep Me Lonely Too Long-Connie Smith
Author:Melba Montgomery

```
G                                                D7
Life sure gets lonely alone no one to talk to alone
G               G7                   C
Nights sure get longer since you've gone
G             D7          G
Don't keep me lonely too long

                                                    D7
I need your arms to hold me and hear you say you need me
G             G7             C
Don't let me live on dreams alone
G              D7          G    G7
Don't keep me lonely too long

C                             G
Memories are bad for one so lonely
C
My tortured heart cries out
D7
Because it loves and wants you only

G                                          D7
Yes I'm too lonely alone afraid of being alone
G             G7               C
Without your love I can't go on
G              D7          G
Don't keep me lonely too long

               D7          G
Don't keep me lonely too long
```
