G7 C
Come on baby it's time to rock

I'm so happy I got you here
G7 C

I wouldn't stop for a million bucks
F C
I love you so
G7 C
Just hold me tight and don't let go

Thunder lightning wind and rain

I'm so eager I'm nearly dying
G7 C
You've been keeping your lips from mine

Hound dog barking up side the hill
G7 C
Love is dragging him through the mill

If it wasn't for having you
G7 C
I'd be walking and a howling too

One day baby you'll get me yet
G7 C
I'll be crying and soaking wet

One thing baby I'll never stand
G7 C
Your lips kissing some other man

Hold me tight and don't let go
