Don't Let Her See Me Cry-Lefty Frizzell

```
C
Want you tell telephone me
     G7
That she can go I set her free
    C
For I don't want to say goodbye
    G7             C
And let her see me cry

Tell to her just any old thing
   G7
Say I went somewhere to stay
    C
For I just can't look her in the eyes
    G7             C
And let her see me cry

G7                              C
I don't want to see or talk to anyone I know
D7                      G7
Until she's gone until she goes
C
So you see the reason why I
G7
Want you to tell a lie
C
And just for me say goodbye
    G7                      C
And don't let her see me cry
```
