```
C               F       C
Higher than the highest mountain
                F       C
Deeper than the deepest sea
F                   C
That's how I will love you
            F       C
Oh darling endlessly

                F       C
Softer than the gentle breezes
                  F         C
Stronger than the wild oak tree
F                   C
That's how I will hold you
            F       C
Oh darling endlessly

F                       C
Oh my love you are my heaven
            Dm                    C
You are my kingdom you are my crown
F                           C
Oh my love you're all I pray for
          D7                        G7
You were made for these arms to surround

C               F           C
Faithful as a morning's sunrise
             F          C
Safe as a love can be
F                   C
That's how I will love you
            F       C
Oh darling endlessly

F                           C
Oh my love you're all I pray for
          Dm                        G7
You were made for these arms to surround
C               F           C
Faithful as a morning's sunrise
             F          C
Safe as a love can be
F                   C
That's how I will love you
            F       C
Oh darling endlessly

              F       C
Yes darling endlessly
