Everybody's Got Problems-Faron Young
Author:Wanda Alley

```
C                F
I ran into an old girl the other day
C                        G7
That married a guy I once knew
C                         F
She told me he never comes home till it's late
          C         G7          C
And when he does his dollars are few

And I said Baby
               F            C                       G7
Everybody's got problems and I'm no exception to the rule
C              F
Everybody's got problems
C           G7        C           F
If you won't tell your problems to me
            C       G7          C
Then I won't tell my problems to you

                           F
A guy that works beside me down at the shop
C                          G7
Said his oldest boy laid out of school
C                           F
He was loafing on the street got picked up the cops
            C         G7          C
And it just made him feel like a fool

And I said Buddy... repeat #2

                           F
I saw Preacher Brown and he lamented to me
C                           G7
We haven't seen you in a month or so
C                          F
Our Sunday School attendance is falling off bad
       C            G7             C
And our coughers are getting mighty low

And I said Preacher... repeat #2

                           F
Baby every evening when the sun goes down
C                          G7
I'm walking and wringing my hands
C                             F
You're putting me on as you're putting me down
         C             G7         C
And it's more than old Faron can stand

                    F            C                        G7
But everybody's got problems and I'm no exception to the rule
C               F
Everybody's got problems
C           G7      C          F
And Baby my biggest problem is you
        C       G7         C
Yeah my biggest problem is you
