C            F   C          F
Everything I am  all that I hope to be
C                           G7
You're my inspiration and my soul
C           F                  E7              C
I'm the end result of all your sweet understanding
F                  C             F         G7                C
And I just want to thank you for loving me and everything I am

                            G7
I don't know if heaven would ever let me in
F              C                    D7                   G7
If He knew how much I loved you He might think it over again
C                                   G7
To have an angel on my side well it might just get me through
F                         C            G7              C
Cause when it's time for leaving baby I wanna go with you

Repeat #1 Cause...

                                   G7
Well I may not deserve you but I hope you never see
F             C               D7                    G7
How unfair it is I've got you and all you've got is me
C                                  G7
I'm the one who's got you and I'm never turning loose
F                          C                G7                    C
Cause I'm high on life and high on loving high on believing in you

Repeat #1

F                  C             F         G7                C
And I just want to thank you for loving me and everything I am
