```
C                   Em
Lookin' at us you'd think that we just met
    F                              C
And only been in love a night or two

They see a beautiful woman
       Em
In the shadows with a man

    F                                C
And all they see is a weekend rendezvous
Am
Guess we look like cheaters
G7           F
Lovers lying low   we must be deceivers
      G7
Cause baby they don't know

          C           F   C   G7
I've been fallin' for you for years
F
Can't get over the feel of you
Dm                       G7
Somethin' in the way you make your moves
          C           F   C   G7
I've been fallin' for you for years
F
Runnin' deep  runnin' strong
Dm              G7
It's been going on and on
                   C
And on and on for years

                          Em
You make it easy to be a one woman man
     F                     C
Just look at you  sitting there
                                Em
Your eyes are talkin' in that soft and sexy way
       F                              C
Saying let's slip away  slip away somewhere

Am
It don't take a rainy night
   G7           F
Or music in the dark
Am
Baby when your body sends
  G7
A message to my heart

          C           F   C   G7
I've been fallin' for you for years
F
Can't get over the feel of you
Dm                       G7
Somethin' in the way you make your moves
          C           F   C   G7
I've been fallin' for you for years
F
Runnin' deep runnin' strong
Dm              G7              A7
It's been going on and on and on and on
          D7          G7  D7  A7
I've been fallin' for you for years

G7
Can't get over the feel of you
Em                       A7
Somethin' in the way you make your moves
          D7          G7  D7  A7
I've been fallin' for you for years
G7
Runnin' deep runnin' strong
