Foolin' Around-Patsy Cline
Author:Harlan Howard and Buck Owens

Chorus
G7 C G7
I know that you've been foolin around on me right from the start
C
So I'll give back your ring and I'll take back my heart
F
And when you're tire of foolin around with two or three
G7 C
Just come on home and fool around with me

G7
Well I wasn't foolin around the day I said I do
C
But many a night I wished that I had been a foolin too
F
I know it's foolish taking all this misery
G7 C
but when it's you a fool I'll always be

repeat chorus
G7
So honey fool around you know right where I'm at
C
And don't worry if I'm lonesome cause I'm used to that
F
And when you're tire of foolin around with two or three
G7 C
Then come on home and fool around with me
