C             Dm               C
Don't look so s-ad I know it's over
              Dm               G7                  C
But life goes o-n and this old world  will keep on turning
      C7      F                G7            C
Let's just be glad we had some time to spend together
C7          F                  Dm               G7
There's no n-eed to watch the bridges that were burning

C                      G7
Lay your head upon my pillow
                                          C
Hold your warm and tender body close to mine
G7        C              C7                F                 Fm
Hear the whisper of the raindrops blowing soft against the window
G7                    Dm               G7                  C
And make believe you love me one more t-ime for the good times

          Dm                  C
I'll get a-long you'll find another
             Dm                   G7                   C
And I'll be h-ere if you should f-ind you ever need me
       C7    F           G7             C
Don't say a word about tomorrow or forever
C7           F                Dm                G7
There'll be time enough for sad-ness when you leave me

C                      G7
Lay your head upon my pillow
                                          C
Hold your warm and tender body close to mine
G7        C              C7                F                 Fm
Hear the whisper of the raindrops blowing soft against the window
G7                    Dm               G7                  C
And make believe you love me one more t-ime for the good times
