```
G                      D7        G
Something is trying to push you  out of my heart
C             D7        G
Darling don't let it succeed
            D7        G
Kiss me with fire then let desire
C        D7              G
Get this stranger out of me

D7                  G          D7
Something inside me begs me to leave you
G                   A7       D7
Something inside me wants to deceive you
G              D7      G
Darling please hold me try to control me
C        D7              G
Get this stranger out of me

D7                  G              D7
Something inside me says you don't want me
G                   A7           D7
Something inside me continues to haunt me
G         D7        G
Set me on fire with flames of desire
C        D7              G
Get this stranger out of me
C        D7              G
Get this stranger out of me
