```
C             Am
Oh girl on my mind
       Dm           G7
Please come back to me
  C                    Am
I love you with all my heart
     Dm            G G7
With you I want to be

  C              C7
I want you to be near me
           F       Fm
Is that too much to ask
   C          Am
Oh girl on my mind
       Dm  G7          C
Please say you will be mine

    F                   C
You are the one and the only
       F                     C
You are mine to have and to love
   F                 C
No one could ask for more
       Am        G  G7
You're mine to adore
