Golden Ring-George Jones & Tammy Wynette
Author:Bobby Braddock and Rafe VanHoy

C
In a pawn shop in Chicago on a sunny summer day
G7 C
A couple gazes at the wedding rings there on display

She smiles and nods her head as he says honey that's for you
G7 C
It's not much but it's the best that I can do

Golden Ring with one tiny little stone
G7 C
Waiting there for someone to take it home

By itself it's just a cold metallic thing
G7 C
Only love can make a golden wedding ring

In a little wedding chapel later on that after noon
G7 C
An old up right piano plays that old familiar tune

Tears roll down her cheeks and happy

Thoughts run through her head
G7 C
As he whispers low with this ring I thee wed

Repeat #2

In a small two room apartment as they fight their final round
G7 C
He says you won't admit it but I know you're leaving town

She says one thing's for certain I don't love you anymore
G7 C
And throws down the ring as she walks out the door

Repeat #2
