Good Time Charlie's Got the Blues-Leon Russell
Author:Danny O' Keefe

```
C                                          F
Everybody's gone away said they're moving to LA
                          G7                        C
There's not a soul I know around everybody's leavin' town
                                                              F
Some caught a freight some caught a plane find the sunshine leave the rain
                                  G7                                    C
They said this town'll waste your time I guess they're right it's wastin' mine

                          F     G7                          C
Some gotta win some gotta lose  good time Charlie's got the blues
G7                          C
Good time Charlie's got the blues

                                                    F
My heart keeps telling me you're not a kid at thirty-three
                                G7                                  C
You play around you lose your wife you play too long you lose your life
                                                                F
I got my pills to ease the pain can't find a thing to stop the rain
                          G7                              C
I'd love to try and settle down but everybody's leavin' town

                          F     G7                          C
Some gotta win some gotta lose  good time Charlie's got the blues
G7                          C
Good time Charlie's got the blues
```
