I'll Always Be Your Fraulein-Kitty Wells
Author:Lawton Williams

```
C
I'm that old German's daughter
    F
Far across deep blue water
       G7                    C
I still live by the old river Rhine

Where you loved me and told me
     F
That you loved me only
    G7                   C
You called me your pretty Fraulein

If there's a doubt in your mind
    F
I'm still your Fraulein
         G7                          C
And each night as the moon starts to shine

Where you once held my hand
  F
I go there and stand
     G7             C
I'll always be your Fraulein

As the stars shine above me
     F
They tell me a story
       G7               C
Of our love that was so divine

As we walked by the river
    F
The two of us together
    G7                   C
You called me your pretty Fraulein
