I'll Come Running-Connie Smith

C
If you ever want somebody to love
G7
If you ever get to feeling blue

If you ever want a little company
C
Then I'll come running to you

It's been so long since I held you tight
G7
But I still dream about you darling every night

I don't care who was wrong or who was right
C
I'll come running to you

F
Now all my love belongs to you
C
That's just the way that I feel
D7
And if you'd give me the least little chance
G7
I'd show you my love is really real

C
Well I'm not a bit ashamed to sit here and wait
G7
If that's all what I've got to do

Yeah I'll be around if your new love turns you down
C
And I'll come running to you
