```
C                       F           C
Well it's true so true  I didn't do right by you
                        G7
Guess I didn't know the right thing to do
                                    C
Someday I'll make it all up to you

                        F           C
Well it's true so true  I didn't do right by you
                    G7
Guess I didn't know exactly what to do
                                    C
Someday I'll make it all up to you

        F                   C             G7         C
When we met I thought we'd b-e so happy  we'd be so true
    F                           G7
But when we met I thought we'd b-e so happy
D7                          G7
But now you say that we're through

C                       F          C
Lord I'm blue so blue   but baby I don't blame you
                    G7
Guess I didn't know exactly what to do
                                    C
Someday I'll make it all up to you
