Ah ha ha ha ha ha ha ha ha ha ha ha
```

```
             C          G      D7
You're gonna say you've missed me
G            C          G
You're gonna say you'll kiss me
    D7           C          G
Yes you're gonna say you'll love me
          C     D7       G
Cause I'm gonna love you too
```

```
        C         G        D7
I don't care what you told me
G            C          G
You're gonna say you'll hold me
    D7           C          G
Yes you're gonna say you'll love me
          C     D7       G
Cause I'm gonna love you too
```

```
D7
After all another fellow took you
G
But I still can't overlook you
C
I'm gonna do my best to hook you
A7                    D7
After all that's said and done
```

Repeat #1

```
     C            G    D7
It's gonna happen some day
G                C          G
You're gonna see things my way
    D7           C          G
Yes you're gonna say you'll love me
          C     D7       G
Cause I'm gonna love you too
```

```
       C             G     D7
You're gonna tell me sweet things
G                C          G
You're gonna make my heart sing
    D7           C          G
Yes you're gonna hear those bells ring
          C     D7       G
Cause I'm gonna love you too
```

Repeat #3,4
