```
G
Well I'm chasing the blues right out of my mind
    C
I'm leaving my cares and worries behind
      D7                        G
Cause I'm on my way I'm leaving town today

My lonesome old heart is broken into
     C
I've been walking the floor every night over you
    D7
But our love is all gone
              C              D7   G
I'm moving on I'm a leaving town today

      C
I got no love no cares just heartaches
    G
I'm leaving them all behind

Like the sun and the moon and the stars above
A7                      D7
We're gonna be one of a kind

     G
Well I'm moving along I gotta be free
     C
I'll find a new love wherever I'll be
    D7
But my old love is gone
              C              D7   G
I'm moving on I'm a leaving town today

Repeat #3 4

    C       D7        G
I'm leaving this town today
