I'm Sending You Red Roses-Jimmy Wakely
Author:Wally Fowler

```
C                              F
I'm sending you red roses to tell you that my love is true
C                                   D7                              G7
And I send them so you'll know dear that I'm always thinking of you
C                                    F
Enclosed you'll find my heart dear so treat it with tender care
C                                G7                            C
Every time you look inside dear you will find my love in there

         F                           C
May each petal be a memory of the happiness we knew
    F                                    C                    G7
And each thorn may tell a story of the heartache I've been through
C                            F
I'm sending you red roses although we're oceans apart
C                                    G7                      C
Just remember when they fade dear that you'll always have my heart

         F                           C
May each petal be a memory of the happiness we knew
    F                                    C                    G7
And each thorn may tell a story of the heartache I've been through
C                            F
I'm sending you red roses although we're oceans apart
C                                    G7                      C
Just remember when they fade dear that you'll always have my heart
