Author:Townes Van Zandt

G
If I needed you would you come to me
C D7 G
Would you come to me for to ease my pain

If you needed me I would come to you
C D7 G
I would swim the sea for to ease your pain

Well the nights forlorn and the morning's born
C D7 G
And the morning's born with the light of love

And you'll miss sunrise if you close your eyes
C D7 G
And that will break my heart in two

If I needed you would you come to me
C D7 G
Would you come to me for to ease my pain

If you needed me I would come to you
C D7 G
I would swim the sea for to ease your pain

Baby's with me now since I've showed her how
C D7 G
To lay her little hands in mine
C G
Who could ill agree she's a sight to see
C D7 G
A treasure for the poor to find
