```
G                                C      G
It's Late [it's late] we gotta get on home
                                D7       G
It's late [it's late] we been gone too long
                               C          G
Too bad [too bad] we shoulda checked our time
                               D7              G
Can't phone [can't phone] we done spent every dime

                                        C         G
It's late [it's late] we're `bout to run outta gas
                                 D7       G
It's late [it's late] we gotta get home fast
                                        C         G
Can't speed [can't speed] we're in a slow down zone
                              D7          G
Baby look at that clock why can't it be wrong

      C                      G
If we coulda left home by a quarter to nine
D7                   G
Woulda had fun and plenty of time
C                      G
We got started just a little bit late
A7                  D7
Hope this won't be our last date

G                                C       G
Look up [look up] is that the moon we see
                                 D7         G
Can't be [can't be] looks like the sun to me
                                  C         G
It's late [it's late] I hate to face your dad
                               D7           G
Too bad [too bad] I know he's gonna be mad

                                 C      G
It's late [it's late] we gotta get on home
                                D7       G
It's late [it's late] we been gone too long
