It's Make Believe-Conway Twitty
Author: Conway Twitty and Jack Nance

G
People see us everywhere
Em
They think you really care
C
But myself I can't deceive
G
I know it's only make believe

My one and only prayer
Em
Is that someday you'll care
C
My hopes my dreams come true
D7
My one and only you

C
No one will ever know
D7
How much I love you so
G
My only prayer will be
C
Someday you'll care for me
D7 C G
But it's on-ly make believe

My hopes my dreams come true
Em
My life I'd give for you
C
My heart the wedding ring
D7
My all my everything

C
My heart I can't control
D7
You rule my very soul
G
My only prayer will be
C
Someday you'll care for me
D7 C G
But it's on-ly make believe

My one and only prayer
Em
Is that someday you'll care
C
My hopes my dreams come true
D7
My one and only you

C
No one will ever know
D7
How much I love you so
