Jukebox Man-Mel Tillis
Author:Mel Tillis and Buck Peddy

C
I'm gonna get a bunch of nickels gonna buy em by the roll
F C
Gonna put em in the juke and watch the record go

I love to hear the beating of a flat guitar
G7 C
And a bass a fiddle slappin' it eight to the bar

F
Well I could sit here and listen to it all night long

It's the ricky ticky rhythm of a jukebox song
C
But when it comes to music I'm the number one fan
G7 C
And everybody's callin' me the jukebox man

Well the dawn is jumpin' with be-bop-a-do
F C
I'm a puttin' in nickels it's way past two

A cute little blonde she's a hangin' on my arm
G7 C
But the music from the juke has done got my charm

Repeat #2 x2
