C                                F
When she needs someone to hold her  in the night
             C       F         C
She calls on me  and I'm right there
                               F
When she wants to be a woman a lover or a friend
             C       F         C
She calls on me  and I'm right there

        F                   G7                  C         Am
There's not one damn thing in this world that she won't do
      F                    G7                  C              Am
Cause she gives the best of all she's got the way I want her to
F             C                                 F
Lord Lord and I say keep on loving me baby and I'll keep on loving you
C                               F
Keep on loving me babe and I'll keep on loving you
C                 F             C
That's all we need that's all we need

                                            F
When she wants that feeling that's waiting in my arms
             C       F         C
She calls on me  and I'm right there
                                  F
Her door is always open and sweet love shines the way
                 C       F         C
When she calls on me  and I'm right there
