Linda Lou  honest true
                                        D7
I'm just wild about your lovely eyes of blue

For your smile I'd walk miles
                                       G
For my honey child I'm glad to be with you

                                  C
As long as you are by my side I have no cause to pine
  A7
I point you out with so much pride
    D7
And tell the world you're mine

Some day you'll know the way I feel deep down within your heart
