       F              C
In the days He speaks about

All of these we now are having every day
         C
Let's be ready for His coming
       F               C
Let us meet Him with a shout
                       G7               C
For He tells us in His word to watch and pray

While upon the Mount of Olives
    F                  C
His disciples came to Him
                                              G7
Saying "Tell us when these things are going to be"
      C
Jesus answered "Be ye watching
    F                    C
Let everyone be free from sin
                          G7       C
And take heed no man shall ever ye deceive"
