Mr. Lovemaker-Johnny Paycheck

```
C       F               C      F
Mr. Lovemaker don't let anyone take her
C                   G7             C
I need that woman's love to set me free
        F               C      F
Mr. Lovemaker don't let anyone take her
C          G7            C
Till I can make her love me

      F           C         F
Hey I know you're out there somewhere
      G7                          C
And I know you've got the power to make her care
                                    F
If you've ever thought of helping me help me now
                C                   G7             C
Take her by the hand and guide her to my arms somehow

        F               C      F
Mr. Lovemaker don't let anyone take her
C                   G7             C
I need that woman's love to set me free
        F               C      F
Mr. Lovemaker don't let anyone take her
C          G7            C
Till I can make her love me
```
