Once more to be with you dear
           D7
Just for tonight to hold you tight
     G     G7          C
Once more  I'd give a fortune
           G         D7   G
If I could see you  once more

           D7         G          C
Forget  the past  this hurt can't last
          G          D7       G   D7
Oh I don't want it  to keep us apart
    G      D7         G        C
Your love  I crave I'll be your slave
              G       D7          G
If you'll just give me  all of your heart

Once more to be with you dear
           D7
Just for tonight to hold you tight
     G     G7          C
Once more  I'd give a fortune
           G         D7   G
If I could see you  once more
