Pull My String and Wind Me Up-Carl Smith
Author:Jim White

C
Like a puppet in your hands
G7
I do anything you demand

All you gotta do when you want my love
C
Is pull my string and wind me up

Every night you go some place
G7
I can hardly keep up with your pace

When you see me slowing up
C
You pull my string and wind me up

F
You got me living in some kind of trance
C
It make me dance when I don't want to dance
D7
But it's worth it to have your love
G7
Pull my string and wind me up

C
When I get tired my hearts a churning
G7
Well you still got your motor running

When I think I've had enough
C
You pull my string and wind me up

Repeat #2,3

C
Like a toy in your collection
G7
Only move under your direction

Like a talking doll that you love
C
Pull my string and wind me up
