How
many ti-mes have you heard someone say

            D7           C           G

If I
had his money I would do things my way

               D7                       G

But
little they know that it's so hard to find

               D7        C        G

One
rich man in ten with a satisfied mind

          D7       C          G

Once I
was living in fortune and fame

                D7             C              G

I had
all that I needed to get a start in life's game

                C     G  D7          G

Then
suddenly it hap-pened I lost every dime

                 D7        C        G

But
I'm richer by far with a satisfied mind

                  C  G        D7               G

'Cause
money can't buy back your youth when you're old

                        D7         C                G

Or a
friend when you're lonely or a love that's grown cold

              D7         C        G

The
wealthiest person is a pauper at times

               D7        C        G

Compared
to the man with a satisfied mind

               D7          C           G

When
my life has ended and my time has run out

                 D7        C                  G
```

My
friends and my loved ones will weep there's no doubt

But
one thing's for cer-tain when it comes my time

I'll
leave this old world with a satisfied mind
