Still-Bill Anderson

```
C                C7
Still though you broke my heart
F
Still though were far apart
C          G7
I love you still
C            C7
Still  after all this time
F
Still  you're still on my mind
C G7       F  C
I love you st-ill
```

Spoken:

```
I lost count of the hours and I've lost track of the days
F
In fact I've lost just about everything since you went away
C
Everything that is except the memories you left me
G7
And that's one thing no man can ever mar
C
I don't know who you're with I don't even know where you are
F
My only hope is that someday you might hear this song
C
And you'll know I wrote it especially for you
G7                        C
And I love you wherever you are
```

repeat #1

Spoken:

```
This flame in my heart is like a torch of fire
F
For everyday it burns hotter and everyday it burns brighter
C
And I haven't been able to put out one little flicker
G7
Not even with all of these tears
C
My friends say I'm crazy  and  maybe I am
    F
But I'll carry this torch just as long as I can
    C
For someday you just might decide to come home
G7                           C
And I want you to know I'm still here
```
