Such A Waste Of Mind-Faron Young
Author:Clyde Pitts, Len Pitts, Cile Davis

```
C                       F        C
Living on dreams really isn't so bad
                      G7
Cause you can't miss anything that you've never had
                  C                                   F
But once you've known real love and you lost it you'll find
                     C            F             G7       C
You'll be living on memories and that's such a waste of mind

    G7
Yes you'll be wasting your mind wasting your time
C         F               C
Living on dreams you once knew
D7
Then you'll get to see how love looks to me
G7
Remembering someone like you

C                               F          C
Then you'll know the feel of a heart half alive
                       G7
When a memory is your only chance to even survive
                     C                                F
Then just like the foolish you'll be spending your time
          C             F             G7       C
Living on memories and that's such a waste of mind

F         C             F             G7       C
Living on memories and that's such a waste of mind
