G    A7       D7
Sweet
dreams of you
     G     A7   D7
Every
night I go through
   G         C          G             Em
Why can't
I forget you and start my life anew
 G              C          D7     G
Instead of
having sweet dreams about you

         A7          D7
You don't
love me it's plain
        G          A7           D7
I should
know you'll never wear my name
G       C           G          Em
I should
hate you the whole night through
 G              C           D7    G
Instead of
having sweet dreams about you

     A7       D7
Sweet
dreams of you
        G   A7        D7
Things I
know can't come true
   G         C           G                    Em
Why can't
I forget the past start loving someone new
 G              C          D7     G
Instead of
having sweet dreams about you
