Sweet Memories-Hank Locklin

```
G
My world is like a river
C
As dark as it is deep
D7
Night after night the past slips in
                  G
And gathers all my sleep

My days are just an endless stream
C
Of emptiness to me
                  G
Filled only by the fleeting
        D7        G
Moments of your memory
D7        G     B7        Em
Sweet memories  sweet memories

G
You slipped into the silence
C
Of my dreams last night
D7
Wandering from room to room
                  G
And turning on each light

Your laughter spills like water
         C
From the river to the sea
                       G
And I'm swept away from sadness
         D7        G
Clinging to your memory
D7        G     B7        Em
Sweet memories  sweet memories

G              D7             G
Memories of the sweetest love I know
