C                                              G7    C    G7   C
Every little star above knows the one I love sweet Sue  just you
       G7                                            C    G7   C
And the moon up above knows the reason why sweet Sue  it's you
       C7
No one else it seems ever shares my dreams
    F
And without you dear I don't know what I'd do
       G7                                            C    G7   C
In this heart of mine you live all the time sweet Sue  just you

                                        G7   C    G7    C
Every star above knows the one I love it's you  sweet Sue
       G7                                          C    G7    C
And the moon up above knows the reason why it's you  sweet Sue
       C7
Nobody else it seems ever shares my dreams
